HOMECOMING OCTOBER 19-20

Sophs Victorious in Annual Contest for Dimnent Cup

FROSH GO THROUGH RIVER ONLY AFTER HARD BATTLE

45-20 is Margin of Frosh Defeat

By Palmer Martin

Last Friday afternoon, in one of the hardest contested pulls ever waged, the husky sophomore hauled the battling frosh through the cold waters of Black river.

The frosh, however, put up a hard battle and after fifty-one minutes of pulling, the green-clad team finally was forced up the sops's side. At the beginning of the fray, the frosh took the upper hand and the white cloth gradually moved toward their side. The sops soon put an end to this and the mid-stream marker reversed its course and slowly it was taken in by the south side team.

From then on the sops had the upper hand of the tug, and although the frosh staged several comebacks, they were gradually forced to take to the water. The river seemed to revive the frosh as they valiantly tried to rally, but that also was soon ended.

The sophomores were coached by Joe Esther and Tony Mistretta, while George Douma and Ben Plasmann took charge of the freshmen.

The field meet in which the sophomores again took the upper hand, was held the day preceding the pull. Although the final score gave the sops 30 points and the frosh 20, the first year men won three out of five contests. In the pillow fights, the sops won five points and as they successfully defended the flag against a mob of erstwhile frosh they were awarded the 25 points allotted for that fight. The next three contests were all won by the frosh, which gave them 20 points. The rooster fight gave the frosh five points, while the frosh girls whipped the second year girls in a game of handball, which added 10 points to the green score. Five more points were awarded to the frosh as they successfully pushed two footballs over the goal line.

Winning the pull gave the victors 15 more points, which boosted the sops to a 45 to 20 victory over the freshmen and as a result of the victory the Dimnent trophy was awarded to the sops at the pep meeting held that evening.

The two boats used by the officials were furnished by the "Gil-Boat" Company, through the courtesy of Stoddard "Bud" Hamilton.

Louis Jalvinga Given Fenton Scholarship

Louis Jalvinga received this year's vocal scholarship for men presented annually to the outstanding vocal artist in the freshman class. The scholarship is awarded by Mrs. W. J. Fenton in honor of her husband who died several years ago. The scholarship includes one year's work in voice under the instruction of Mrs. Fenton.

"THRU THE RIVER THEY DID GO--THOSE POOR FROSH"

Thomas Leads Frosh Class

Don Thomas, Cosmopolitan pledge, was elected president of the freshman class Friday morning, September 21. Thomas is a recent graduate of Kalamazoo Central high school.

Other freshman officers are the following: William Arendshorst, vice-president; Lois Tysse, secretary and girls' treasurer; LaVerne Scheerhorn, boys' treasurer; Cornelia Lievense, council; Homer Lokker, council. Oliver Van As became pull-captain after he had admitted his weight to be 240 pounds. Henry ("Henk") Kuizenga, president of the student council, was in charge of the election.

Prof. Snow Directs Reorganized Band

With a spirit of enthusiasm among its members which augurs well for its success, the newly organized Hope band, under the direction of Prof. W. Curtis Snow, made its first appearance before the student body at the pep meeting Friday night. The band was well received by the students in attendance at the meeting. All indications tend to show that in the near future Hope will be able to boast a splendid band.

The first rehearsal was held in the gym on Wednesday afternoon, at which time Professor Snow explained his plans as to the development of the organization. He immediately made known the fact that at no time would the band play any number that could not be well played. His aim is to get a well balanced band which will eventually develop into a symphonic band. Steps are being taken to obtain the required instruments. There is no reason, he explained, why Hope College can not have an "A-1" band of considerable size. There is a great deal of talent on the campus, and the first task will be to uncover this talent and put it to use. No one will be barred from the band who is willing to attend the rehearsals regularly and work while there. Everyone interested is asked to attend.

Lester Kieft is studying in the science department at Pennsylvania State College.

Poppink Injured in Grid Practice

A broken arm, sustained in a practice session, robbed the Hope football team of a prospective candidate for the end position. Bill Poppink, sophomore end, received a fractured arm in scrimmage at his first appearance on the regular team. Tuesday, Oct. 2, saw Hope's first and second squads hard at work in preparation for the Alma game and on the second play Poppink, playing end, was buried under a pile of players when he received his injury.

The arm refused to respond to local treatment and Poppink was taken to the Ann Arbor hospital Friday, where he will be taken care of.

Poppink is also a basketball player of no small importance. It is not believed, however, that Bill's arm will keep him from the basketball court this winter.

The students of the college unite in wishing him a very speedy recovery.

Dr. Bush Speaks at Convocation

The annual convocation service of Hope College was held Wednesday morning at 9 o'clock in the Memorial Chapel with the Rev. Benjamin J. Bush, D. D., pastor of the Westminster Presbyterian Church, Detroit, delivering the address.

Dr. Wynand Wichers, president of the college, who has recently returned from a European tour, took charge of the service, which was opened by the singing of the convocation hymn, "Come Thou Almighty King." The chapel choir, under the direction of Prof. W. Curtis Snow, sang "Sing We All." This was followed by the reading of the traditional convocation scripture, from the first chapter of Joshua, by the Rev. N. Boer of Grand Rapids, president of the board of trustees. Dr. G. C. Nettinga, president of Western Theological Seminary, offered the convocation prayer.

Mr. Gerrit Ter Beek, tenor soloist, sang, accompanied by Prof. Snow at the organ.

Preceding the introduction of the principal speaker, Dr. Wichers stated that the recently matricu-

(Continued on Page Four)

All-College Mixer is Well Attended by Student Body

UNUSUAL FROSH TALENT DISPLAYED ALONG MUSICAL LINES

Approximately 300 students attended the all-college mixer held Friday night, September 28, in the gymnasium.

On entering the gym each student was given a card upon which he was to acquire the names of at least six freshmen, three faculty members, and as many other students as possible. After a half-hour this "name-getting" contest was closed and the cards collected.

The official program, announced by Henry Kuizenga, president of the student council, then followed. The first number was a vocal solo by Katherine Fluksman, a member of the freshman class. She sang first "My Song of Love" from the operetta, "Blossom Time." Her two encore numbers were "My Hero," from the "Chocolate Soldier," and "The Lying Little Daisy."

President Wichers then gave a ten-minute address in which he set forth the ideals which college students should follow. The next number on the program was a piano solo, "Polonaise," played by Oliver Droppers, a member of the freshman class. Following this, Prof. Bruce Raymond gave a dissertation on the football team, emphasizing its clean style of play. Next the whole assembly joined in giving a few yells and in singing our Hope song, accompanied by the band.

Mr. Kuizenga then awarded the contest prizes for the longest list of names submitted. Gertrude Meengs and Henry Buikema were the two recipients of the prizes. This was followed by the reading of the freshman rules and the personal demonstrations of how the Frosh are to wear the green. As the last number on the program, Louis Jalving sang the two selections, "On the Road to Mandalay" and "Trees."

The program then adjourned and refreshments were served by Margaret Dregman and the social committee.

Snow Continues Vesper Recitals

Approximately 150 persons were present at the Vesper recital given by Prof. W. Curtis Snow in Hope Memorial Chapel, Sunday, September 23.

The recital began with the Carillon Recital on the McLean Memorial Chimes. Then followed "March from 'Dramma per Musica'" by J. S. Bach, "Sonatina from 'God's Time is Best'" by J. S. Bach, Chorale Prelude, "In Dir Ist Freude" by J. S. Bach. The next numbers were "Ave Maria" by Bossi, "Legend of the Mountain," Karg Elert; "Loccortina" from "Oedipe A Thebes," Mereaux. The offertory number was "St. Clement" by McKinley, which was followed by "Regina Pacis" from "Symphony I" by Guy Weitz.

Scripture and prayer were offered by Rev. Paul E. Hinkamp.

Societies Make Extensive Plans

Central Prexy Chapel Speaker

Dr. Irwin J. Lubbers, president of Central college, Pella, Iowa, spoke in the Memorial chapel this morning on the subject "Good English."

Forensic Society Plans Year's Work

The first meeting of Pi Kappa Delta, Hope's national oratorical society, was held in the "Y" room, Monday, September 24.

It was decided to have a social meeting at Ek Buy's cottage, October 11. At today's meeting the year's work will be outlined and reports made by the representatives of the society who attended the Michigan Intercollegiate Speech Conference.

At this conference, held October 5 and 6 at Michigan State College, Lansing, Michigan, the debate subject for the year was announced. Dr. J. B. Nykerk and Prof. Deckard Ritter attended as faculty representatives with Miss Ruth Verhey, as orator manager; Miss Marion Wray, as women's debate manager; David De Witt, as men's debate manager, and Henry Kuizenga as secretary.

Church Board to Grant Aid

The Board of Benevolence met on September 19 for the purpose of granting financial aid to those students who are preparing themselves for future service to the church.

Originally the board was incorporated for the purpose of making loans to those students who sought to enter the ministry. Later, however, this board advanced funds not only to aid future ministers, but also to aid future missionaries. As a result of this the Board of Benevolence is now assisting about fifteen Hope students, both men and women.

Chapel Choir is Organized

The Chapel Choir, composed of 83 mixed voices, made its initial appearance Thursday morning, October 4, at the regular chapel exercises. Professor W. Curtis Snow is again the choir director. The list of members was posted on the bulletin boards Wednesday, October 3, and the first practice was held the same day.

At the first meeting the following officers were elected: President, Marian Wray; Treasurer, William Welmens; Secretary, Kay Donahue.

The choir is looking forward to as successful a year as last, when they performed at the Civic Auditorium in Grand Rapids.

Margaret Dregman, Vander Meulen, Chairmen

According to all indications, Hope College is looking forward to one of the greatest homecomings in her history. The week-end of October 19 and 20 has been selected for this year's celebration.

Margaret Dregman and John Vander Meulen, general chairmen, have appointed the following committee chairmen: Alumni, Dowe Cupery; Program, Jay Bush; Field Decorations, Dick Smith; Parade and Floats, Ken Vander Velde; Publicity and Advertising, James Boter; Campus, Calvin Vander Werf; Refreshments, Victor Turdo.

As is traditional, the homecoming celebrations will be opened with the float parade of the sororities and fraternities. At the conclusion of the parade the entire student body will congregate at Carnegie Gymnasium where the winners of the parade will be awarded their prizes. A pep meeting, including speeches, cheers, music, and refreshments will follow.

On Saturday, after much cavorting and celebrating around town, students arrayed in Hope colors will assemble at the Riverview Stadium to watch the Dutchmen struggle against the Albion grid-ders. It promises to be a great battle with Albion claiming to have her best team in five years. Last year the Hopeites struggled with the Purple and Gold in a sea of mud to a scoreless tie. With this game to be played on their home field, the boys are confident of victory. The American Legion band will stir the grid-ders on with martial music.

Following the game, Mrs. W. H. Durfee will hold her usual Koffee Kletz at Vorhees Hall. All alumni and students are cordially invited.

The rest of the day will be spent with alumni gatherings, shows, and dates.

Wichers Attends Brunswick Fete

Dr. Wynand Wichers was out of town most of last week because of his attendance at the celebration of the hundred and fiftieth anniversary of the founding of the Theological Seminary at Brunswick, N. J. He carried Hope's greetings and congratulations to the Seminary.

The New Brunswick institution is the country's oldest theological school. It was founded in 1784 under the leadership of John H. Livingston to supply the great need for ministers during the early days of the United States. In 1810 the Seminary was moved from New York City to New Brunswick, N. J.

Before the establishment of the Western Theological Seminary in Holland, many men of this city received theological training at the New Brunswick school.

The Freshman Class

Freshmen, we greet you — you the largest class on record for many a year.

By this time you have ceased your vague wanderings around the campus and through the buildings in your quest for certain class rooms (or should I say uncertain); you have learned to find your way to Miss Ross' English class without first stumbling into the Physics lab; you have found and established the tennis courts and football field on their respective sides of the gym; you have even learned not to address Coach Hinga as Dr. Nykerk; and we hope you love it all as much as we do.

First of all, we wish to compliment highly the unusual musical talent so ably displayed at the Mixer Friday night; we hope that was only a sample of your ability and that you will soon answer our urgent request for more.

We also doff our caps (but please notice they are not green) to the large number of valedictorians and salutatorians in your midst. We're depending on you to help keep up the high scholastic rating adjudged to us by the North Central Association.

Therefore, to you, a Freshman class so well equipped to rise to great heights in every field of college activity — to you we now hand down the Hope challenge which is "to do your best not only in scholastic achievements but also in all the extra-curricular activities Hope College opens to you." Do you accept it?

Organizations on Hope's Campus

At the close of the past school year there were over thirty organizations on Hope's campus! This number seems astounding for a college the size of Hope, yet most of these groups met regularly with their advisers and worked in unity for the betterment of the college.

Organizations were along all lines and for all classes of students, and are being reorganized at the present time for the purpose of carrying on the development of physical, social, mental, and spiritual training.

The largest and most powerful organizations on the campus are the ten literary societies or sororities and fraternities. These societies hold meetings in various places around the campus and prove very beneficial in an all-round development of the members. Numerous alumni have admitted that belonging to a society meant more to them than some of their academic,

social, or physical accomplishments. As a rule, the fraternity man makes more friends and keeps more friends than the average non-fraternity man. This, however, is not unusual because if one carries out the society program, he is thrown in daily contact with his fraternity brothers, their friends and many others, thus becoming well acquainted in a very short time. Many other valuable qualities are connected with these organizations, but more can be learned by attending one of the meetings than can be written in a century.

For the purpose of promoting the welfare of inter-fraternity relationships, the Pan-Hellenic Council was organized two years ago. This council, composed of two representatives from each society and President Wynand Wichers, offers a practical connection between the groups they represent and the faculty.

Another organization similar to the Pan-Hellenic Council, yet more expanded, is the Blue Key. Hope College is fortunate in being the only small college in Michigan to have a chapter of this national honorary fraternity of which the members are senior men of good character, personality, and recognized as leaders in campus activities.

Student representation is afforded by the Student Council, composed of a man and a woman from each class and a president elected by the college. This organization chiefly discusses and sponsors campus activities.

The spiritual life of the students is upheld on Hope's campus by the Y. W. C. A. and Y. M. C. A. which were organized thirty-five years ago. Christian character is promoted through the "four square development." The Christian Workers' Union stimulates interest in the group of men and women students who expect, "God willing," to enter the Christian ministry or mission fields.

Other organizations on Hope's campus are: the National Honorary Forensic Fraternity, Pi Kappa Delta, and the Poetry Club of America; Chemistry, and Biology and Dramatic clubs, a College Band, Glee Clubs, and Chapel Choir feature musical programs throughout the year. There are two official publications on the campus, "The Hope College Anchor," bi-weekly newspaper, and "The Milestone," college yearbook.

During the past year athletics played a major part in organized campus activities. In football, Hope tied for second in conference competition, and in basketball ended the season in a tie for first place. Golf was recognized as a major M. I. A. A. sport and Hope "put

SOCIAL NEWS

The second day of school, September 20, Y.W.C.A. and Y.M.C.A. sponsored a beach party at Ottawa Beach for all of the new students of the college. Everyone wore a slip of paper bearing his name and home town address. Games, in charge of Calvin Vander Werf, were played, followed by the girls playing "leap year" and finding their partners, losing no time in getting to the food table of which Margaret Dregman was in charge.

Afterwards, everyone sat around the "speaker's platform" and heard from the Y.W. and Y.M. presidents, Sally Sterken and Joe Esther, respectively, who introduced the members of their cabinets to the group. Before leaving the beach, everyone joined in singing Hope songs and cheering for the freshmen.

After the Oct. 5th pep meeting the Athletics held their regular meeting. The sophomores were in charge of the programs through which carried out the "key" theme.

The Delphi girls enjoyed a pleasant slumber party at the Buys' cottage at Chippewa Beach last Friday and Saturday. The girls left Friday afternoon and returned some time Saturday. Everyone enjoyed themselves immensely.

Wednesday afternoon Delphi held a tea in their room for the members. The officers treated, carrying out the old Southern ideas. All the officers were dressed in appropriate Southern costume. A business meeting followed this delightful tea and was brought to a close with the singing of the Delphi song.

A slumber party was enjoyed by all the Sibylline girls last Friday and Saturday at the Vander Meulen cottage. Although no milk was available for breakfast, the candy, after being found, was surely enjoyed.

A very pleasant dinner was held in the Tavern for the Sorosites Monday, September 17. The dinner was enjoyed and a gay time was had by all those present.

Following the big pep meeting of September 27th, Dorian Society convened at Margaret Robinson's home for the evening. A short business meeting was followed by a series of games. Before scattering to their various abodes, they were sustained by a hot fudge sundae at Fabiano's Sweet Shoppe.

"away" first honors in the conference. Other athletics include tennis, track, and cross country. An "H" club has been organized for those fellows earning a letter in any sport.

For the student who wants to develop physically, mentally, socially, and spiritually, the opportunities offered through the organizations on Hope's campus are excellent.

Fraters Present Initial Serenade

Promptly at 12 o'clock several nights ago the jangle and clatter of some two dozen Big Bens shattered the surrounding stillness of Voorhees Hall while through a radio came the mellow voices of Ken Vander Velde and Jay Bush announcing to the gathering audience the opening of the first Fraternal Serenade. After these melodious articulations had completely enraptured all of the girls, not to mention some of the fellows, President Albers introduced the new officers and also the beaming young freshmen who by this time were pirouetting about the place in an airy ecstasy of happiness over the thought of pleasing the girls.

Our two foremost crooners, Pape and Spence, then stepped before the mike and passionately rendered a few songs which created audible sighs all around.

Bill Arendshorst entertained with a violin solo, after which Oliver Van As, accompanied by that master pianist, Chuck Van Dommelen, gave us a few semi-classical songs that were applauded loudly.

Our old pal, Jan Garber, was then switched on and for fifteen minutes he entertained us royally, ending with "Once Too Often," a selection he dedicated to the girls of Voorhees Hall, Holland, Michigan.

After the master of ceremonies had very cordially thanked Jan, Pape and Spence closed the serenade with "Good Night, Sweetheart," the other members joining in on the chorus.

SUPERIOR

CUPID STEPS OUT

By Joe Blo and O. Hoe

At the beginning of every fall term at Hope the ball must be started rolling. The seniors have gone, and the new freshmen are comparative strangers. Venus has a hard time of it for the first month or two. Her work is temporarily paralyzed by the newness and greenness of the young saplings. Cupid's arrows scarcely go skin deep. Under these circumstances, and with a noble and altruistic spirit, Joe Blo and O. Hoe have organized the HOPE FOUNDATION FOR THE PROMOTION OF A BETTER UNDERSTANDING BETWEEN THE SEXES. This organization has nothing more or less in mind than to facilitate a speedy contact between people who are clearly suited to each other. For instance, we believe that the following situations need a thorough adjustment. We give you our model couple, Dotty and Ek, who are even going to church together. What we would like to see is Jim and Wilma and Bos and Kay entering church together as well as departing with each other. This reminds us of the old but practical phrase: "Let's go to a show. I'll meet you inside."

We figure, now that Bill Poppink has a broken arm, that Marg will have to drive him around. It must be strange to first drive a man slightly off his straight and narrow and then drive him around to make him lose ALL sense of direction.

Marg Moody seems to be taking the campus by storm. We take the liberty of suggesting, however, that Marg doesn't get herself hooked because we like to see the gladiators of love in a good tussle over the heart of the fair lady.

We think that Jane Eldridge deserves something more than Papegaay out of her college life but maybe she is satisfied in trying to reform him.

All these situations need the touch of a guiding hand, as you can readily see. In the case of Eunice Koster there is even need of the SOUND of a VOICE that is still. Some of you lovelorn lamenters should really join the poets on the steps of the chapel. There you may observe exhibit "A" which consists of Sherwood Price and Margaret Dregman in the art of Iambic Pentameter. But the vast majority of you need much more personal assistance. Fortunately, this is made available at absolutely no cost or obligation to you. Perhaps you are dissatisfied with your present company. Want a way out? Perhaps you are just dying to see how you and a certain party would act in a certain place. Want to meet her? Want him to buy you a "sody"? Then fill in the coupon below, put it in a sealed envelope, and drop it in the ANCHOR box. Allow us to emphasize that this correspondence is absolutely not for publication. All problems will be handled in strict confidence. We are having success. Why not try us out? Address all letters either to Joe Blo or O. Hoe.

HOPEITES MEET GRAND RAPIDS SATURDAY

Pop-Pink on Sports

The M.I.A.A. football race should be above average. Every school reports a stronger team than last year with Albion reporting the strongest team in five years. Hillsdale is favored to repeat despite "Bear" stories concerning their losses.

Hope has a heavier line than in years. Robberts is a "find," but lacks experience. Three sophomore backs, Robberts, Japinga and Klomparsen faced Ferris. Stewie Gross' return should bolster the backfield.

At random: The golf team will miss Ben Timmer, ace number one man, who has not returned to school. Freshman football squad looks good with Thomas, Haddon and Van As outstanding. New field proves to be a success. Players threaten to take Jack Schouten "for a ride" after an afternoon of his thorough calisthenics. Alma will be tough to beat.

Jim DeWeerd and George Heringa looked about the best Hope had on the field at Alma.

Most of the girls keeping steady company were at Alma to see the boy friends come out with a 6-6 tie.

George Heringa, former J. C. player and now guard on the Hope eleven, should cause his former team mates plenty of grief.

Track Squad Begins Work

CROSS-COUNTRY CARD INCLUDES FOUR BIG EVENTS

Coach Schouten is building up the material of Hope cross-country squad which is anticipating four major events this year.

They expect to run against the Kalamazoo College squad in a dual meet. One meet will be on the home course and the other will be on the Kazoo course. Then there will follow the State meet at East Lansing and the annual all-college run.

Captain Joe Esther has an excellent squad working with him this year. Hotelling and Van Pernis are veteran runners of last year. Faber and De Dee, two new sophomore entries, show good running form. And there are also two freshman entries, Talman of Muskegon, a former high school all-state man, and Schneeman, a Flushing High school cross-country man.

Last Minute Pass Enables Dutchmen to Defeat Ferris

After missing other scoring opportunities, the Hope football team counted in the last minute of play to open the 1934 season with a 6-0 win over the Ferris Institute grid eleven on the home grounds.

Poppink, sophomore end, leaped in the air in the end zone with but 32 seconds left to play to snare Japinga's toss from the 14-yard line to break up what looked like a scoreless tie. Numerous other attempts on the part of the Hope eleven to cross the final stripe were stopped by a stubborn Ferris line. In the first quarter the Orange and Blue offense advanced to the 24-yard line and in the second quarter as far as the 17, but in both cases the Ferris defense tightened to stop any further progress.

After a scoreless first half, the Dutchmen got life on a poor Ferris kick which went out 42 yards away from the pay stripe. An off tackle smash by Te Roller and a pass by Fred Japinga to Robberts gave the Hingamen a first down on the 22. On the next play Gord Korstanje juggled a long pass on the 7 yard line, and Otterbecker intercepted another pass to pull the Ferris team out of danger. However, in a few minutes the Hope boys carried the pigskin right back, but Japinga's 9 yard place kick was wide of the uprights.

The Hinga team got in position for its score in the fourth quarter after Russ Van Tatenhove took a Ferris pass on the 11. "Chink" Robberts, making his debut in football, then lugged the oval in four plays to the 14-yard marker, from where Japinga tossed to Poppink who made a leaping snatch of the ball for a touchdown. Heringa's attempted conversion of the extra point failed.

The Hope team outplayed their opponents throughout, piling up ten first downs to Ferris' two, and keeping the ball in Ferris' territory all the time.

Hope Ties Alma in Hard-Fought Battle Saturday

JAPPINGA SCORES IN FIRST QUARTER BY ENEMY PASS

The Hope grid team left Bahlke field at Alma last Saturday with a 6-to-6 tie to show for its first competition of the year in the M.I.A.A. conference.

A Hope team has never yet scored a victory on that field and the 1934 Alma team succeeded in maintaining that record when L. Block toted the ball across the double stripe from the 22-yard line after an 80-yard march late in the quarter to nullify Hope's counter, which came earlier in the same period.

Alma claimed another touchdown early in the fourth quarter, when Dowe, substitute fullback, fumbled the ball when he was hit near the goal line and it fell into the end zone, where Don Te Roller recovered it. At first the official ruled it a touchdown, but when questioned by Bonnette, Hope captain, reversed their decision, decided it was a maulback and gave the ball to Hope on the 20-yard line. It is reported the Alma officials contemplate filing a protest with the judge advocate of the Michigan Intercollegiate Athletic association, which would be an unprecedented step for football.

Although the Dutch team did not make a first down all afternoon, they did score a touchdown when Fred Japinga, sophomore back, intercepted one of L. Block's passes and scampered 65 yards behind perfect blocking through the entire Alma team for a six-pointer. Japinga's try for the extra point went to the right of the uprights, while W. Block's attempt hit the goal post and bounced back in the field.

Fred Japinga's stellar game and Gordon Korstanje's defensive ability at end were high spots in the Hope performance, while L. Block was the offensive star for Alma.

INJURED HINGAMEN FACE FAST JUNIOR COLLEGE TEAM

Extensive preparatory drills have been started by Coach "Bud" Hinga in preparation for this Saturday's game with Grand Rapids Junior College. Injuries sustained in the Alma game last Saturday are only a part of the worries that assail Coach Hinga. The lack of a sustained offense will result seriously if not soon remedied.

Ek Buys, big sophomore tackle, whose power has bolstered the Hope line, is hobbling around with a wrenched ankle that, though it will not keep him from playing if his services are needed, will cause him to lose a bit of his effectiveness. Stewie Gross, a letterman from last year's team and one of Hinga's fastest backs, suffered a recurrence of an injury to his knee on the fourth play of the Alma game. Although Gross is light for college competition he has plenty of speed and his ability to handle his weight often makes him the superior of other backs who are larger. Bowen, star guard and a veteran of last year's warriors, suffered injuries to his chest which may keep him from the J. C. game.

The backfield, as a whole, did not function well offensively against Alma and, as a result of this, will receive a goodly share of the coaches' attention before the Grand Rapids contest. Although the line functioned with more accuracy than the backfield, the coaches are not yet satisfied with their performance. Both the line and backfield will receive their most extensive workouts throughout the week.

In a letter sent to Coach Hinga by Coach Bos of Kalamazoo College, he writes that Junior College practically tore his team to pieces. This speaks bad for all J. C. opponents because Kazoo has one of the strongest aggregations in years.

Junior College has a quartet of backfield stars that can cause any line in the M. I. A. A. plenty of trouble. The Polish boy Labonowski, left half for J. C., has been a consistent ground gainer. The rest of the backfield is composed of Thwaites, Weaver and Sheets.

Coach Hinga expects a very hard battle this Saturday. Although Hope came through with a victory over J. C. last year, it was no indication that Hope will have an easy time this year. J. C. has a very brilliant backfield and an exceptional line. Hope will undoubtedly have a tough time if they are to edge out the men from Grand Rapids.

TYPE IS A VOICE . . .

that can roar like the thunder, or whisper as soft as the breath of a babe. It can picture the glory of sunset, or despair in the chill gray dawn. It can tell you the triumph of great marshaled forces, or purloin you a story as simple and sweet as the streamlet that winds its way through the wildwood. Type can present any image which the mind of mortal man can vision. Use the proper type face to tell your story.

Among the Alumni

Harriet Boot is in training at the Presbyterian Hospital, Chicago, Illinois.

Edith De Young and Anne Edwards are in training at the Presbyterian Hospital, New York.

Carl Zickler, Jerry Heersma, Jim Nettinga, and Chris Walvoord are attending the Western Theological Seminary.

Reo Stryker has obtained a teaching position at the Wyoming Park School, Grand Rapids.

Don Vanden Belt is teaching English in the Grandville High School.

Josephine Ayres is teaching at Ottawa School, which claims to be the oldest county school.

Ruth Mulder is in training at Blodgett Hospital, Grand Rapids.

Lucy Rader and Linden Lindsay were united in marriage on September 3. Lucy is now keeping the apartment in order while Linden is studying at Auburn Seminary, New York.

Charles McLean and Harvey Scholten are attending the University of Michigan.

Adelaide Deelsnyder is teaching in an Indian Mission School at Dulce, New Mexico.

Lois De Pree has a position at Annville Institute, Kentucky.

John Klein is attending Rush Medical School, Chicago.

Bob Freeman has a position as principal of the high school in South Lyons, Michigan.

Robert Kruijenga has a prominent position in New York City.

Dr. J. J. Galman of Lakeville, Minn., was a visitor on the campus during the summer.

Anne Jackson is studying in the Holland School of Business.

Vivian Behrman is attending the University of Michigan.

Gertrude VanZee is teaching grade school at Jenison, Michigan.

Beatrice Visser is principal at the grade school in Ellsworth, Michigan.

Jean Bosman is a teacher in Martin Public Schools.

Joan Walvoord is teaching in the South Holland, Illinois, school.

Eddie Danson is teaching in Holland High School.

Dr. Bush Speaks At Convocation

(Continued from First Page) lated-freshman class ranked higher in scholarship than any other freshman class ever entered at Hope because of the outstanding number of high school honor students composing it.

Although Dr. Benjamin J. Bush of the class of 1906 delivered his address from a thought found in the parable of the talents, he had no text. In the past it has been his custom never to use a text when speaking at Hope. Rev. Bush emphasized point after point in his address by selected illustrations and proved an inspiration to the many visitors and students present.

His subject was "The Power of the Ungifted." Drawing his text from the parable of the talents, Rev. Bush declared that one-talented men often help produce the best in two- or five-talented men.

At the close of the address the chapel choir sang "Glory, Honor, Laud" by Wood.

Announcements followed by Dr. Wichers, after which the service was closed by all singing the closing convocation hymn, "Faith of Our Fathers." Dr. Boer pronounced the benediction.

Dr. John M. Vander Meulen, former member of the college faculty, and now professor of theology in the Louisville Presbyterian Theological Seminary, was among the many alumni and visitors present.

Uninvited

Fresh lake breezes swept Tunnel park. The freshman girls and their Y.W. hostesses were listening to a talk given by President Sally Sterken. A western fresher whispered to her pal, "Isn't this lake air grand, gives you such an appetite." Suddenly the wind changed and to the delicate nostrils of our fair co-eds (a-hem!) came the repulsive odor of — We give you three guesses. You're right, it was a skunk.
